SUBJECT: (b) (6), voice mail message left 10/18/2014, a property owner in Bristow, OK, telephone number (b) (6).

1. State contact - ODEQ Todd Downham, 405-702-5136, Todd.downham@deq.ok.gov
Returned.
2. (b) (6) left voice mail inquiring about status and buy outs.
3. Called Todd Downham 10/20/2014 and left voice mail to call me back so that we could discuss best way to return call to (b) (6).
4. Telco with Mr. Downham 10/20/2014 - Mr. Downham informed he had several previous contacts with (b) (6) and discussed about his concern of buy outs and explained that we are early into the investigation process. He recently completed the latest round of groundwater sampling and will be mailing letters in a near future. Since he has spoken several times with (b) (6), he will contact him to see what further questions he could have.
5. Requested he let me know when this is done and if there are any question where I could help.

Update 10/21/2014

(b) (6) called back to EPA, to his questions about status informed that EPA is continuing the enforcement first process required by CERCLA. Companies were notified of their potential liability. He requested the name of companies and informed him of company names that received SNL. As far as buy out informed him it is too early to consider or look buy outs, that investigations need to be completed and remediation options need to be considered first.
